\* As per above reference, it is clear that the **IB(E)S** cadre is stagnating most as it is the only cadre which last cadre review is the **oldest one (1981, when the service was constituted)** and **no cadre review has been done since creation of this organized service of the Group 'A' cadre while it should have been done every five (5) years** regularly as per the existing guidelines to resolve the cadre restructuring and promotional problems.
