Sub: Implementation of 6th CPC recommendation -Non Functional, Upgradation of Organised Group 'A' Services Officers –regarding.

Respected Madam,

Notwithstanding your busy schedule, I want to bring certain facts to your kind knowledge. As you may be fully aware, a proposal for Non Functional Up gradation for IBES Officers was put up for approval and submission to the Ministry Of I&B . However, it has come to the notice of the undersigned that irrespective of having the approval of E-in C , the proposal has not been forwarded to Ministry in true spirit as the administration could not comprehend the various DOPT instructions in this regard, which is highly unfortunate.

As the implementation of NFUG is getting delayed, the Engineering officers are highly concerned and pressing hard to take up the matter with higher authorities.

A meeting may kindly be granted to discuss the matter in detail.

With Regard

Yours Sincerely

(P.N.Bhakta)

General Secretary
